About Palliative Care NT (PCNT)

Palliative Care Australia is the national peak body for palliative care. <http://palliativecare.org.au/about-pca>

Palliative Care NT is the territory's peak body for palliative care. We do not deliver clinical services. In the NT clinical palliative care services are delivered by Territory Palliative Care

We are a not for profit organisation that strives to:

- Raise awareness of palliative care
- Promote conversations around death and advance care planning
- Improve access to palliative care services around the territory
- Improve the quality of care and support available to Territorians at the end of their lives

Vision:

Quality palliative care for all.

Mission:

To influence, foster and promote the delivery of quality palliative care for all.

Our work is aligned with the priorities in the [National Palliative Care Strategy](#).

PCNT has 2 branches- the Top End branch based in Darwin and the Central branch based in Alice Springs.

We believe quality palliative care occurs when strong networks exist between specialist palliative care providers, primary generalist, primary specialist and support care providers and the community.

Thus we welcome members from the community and other support organisations in particular.

Our Meetings

Second Tuesday of alternate months, 4.30pm in the Hospice Boardroom, Royal Darwin Hospital Campus- contact pallcarentteb@hotmail.com to ask about upcoming meetings.

Guiding Principles

- Palliative Care is person-centred care
- Death is a part of life
- Carers are both providers and recipients of care
- Care should be equitable
- Services should be integrated across the wider service system
- Care should be high quality and evidence based

Membership

We welcome new member both individuals and organisations.

Membership fees are as follows:

Individual \$25

Pensioner \$10

Affiliate/Corporate \$55
